(F) minus all Outcomes (R+V). -----> 50 42 92

If your reported Ending Count does not match these numbers, please go back through your data and be sure you didn't miss something (i.e., animals in foster, adoptions, transfers, etc.). If all animals have been accounted for and the reported Ending Count is different, please indicate in the comment section.

#### COMMENTS:

Due to the unexpected and very sudden departure of the Grant County Shelter Director, in August 2010, some records were lost or incomplete. Thus, some estimating occurred, based on previous experience, on animals' condition during this transition year.

**I agree that in completing this form, we have used the Maddie's Fund definitions of "Healthy," "Treatable - Manageable," "Treatable - Rehabilitatable," and "Unhealthy & Untreatable" as set forth in the attached document titled, "Maddie's Fund® Categorizations/Definitions of Shelter Animals."**
