Ad Valorem Tax Testimony Grant County Public Health Taxing District July 1, 2020 - June 30, 2021

The following information is provided to meet the requirements for KRS 65A.100 for the Grant County Public Health Taxing District as a Special Purpose Governmental Entity (SPGE).

SPGE BACKGROUND

The statutes creating this SPGE are KRS 212.720 & 725.

The Taxing District is managed by the Grant County Local Board of Health.

The statute creating this Local Board of Health is KRS 212.020.

SPGE PURPOSE

This public health taxing district was created to provide support for public health programs and services that occur in the county, as part of the Northern Kentucky Independent District Health Department (NKIDHD) operating in Boone, Campbell, Grant and Kenton Counties.

This public health taxing district provides this support through an ad valorem tax, with revenues used to:

- 1. Maintain a county health center for the provision of clinical health care services.
- 2. Pay for administrative activities such as financial audits of the SPGE.
- 3. Provide an allocation to the NKIDHD for public health programs and services in the health district. These programs and services include but are not limited to the following:
 - a. Environmental health inspections
 - b. Disaster Preparedness and Response
 - c. Preventive Health Services
 - d. Communicable Disease Control
 - e. Health Education activities in schools and the community
 - f. Substance use response efforts (e.g. prevention of infectious diseases and overdose deaths)
- 4. Pay for any special projects the Local Board of Health has approved specifically for their county. For FY 2021, the Grant County Local Board of Health has approved funding for Fitness for Life Around Grant County and school nurses for the Williamstown and Grant County School Districts.

SPGE TAX RATE

The tax rate the Grant County Local Board of Health (an SPGE) approved is 2.80 cents per \$100 of assessed valuation, which is the same as the previous year.

The tax rate of 2.8 cent per \$100 of assessed value equals an annual cost of \$86 on a home valued at the median of \$135,000.

The annual amount estimated to be generated by this tax is \$429,951.

This equals \$0.05 /day /person for public health services in the county (based on current population estimates). This tax is to be applied to 2020 for Real/Personal Property and 2021 for Motor Vehicles.

SPGE ALLOCATION TO THE NKIDHD

This SPGE approved allocating 1.90 per \$100 of assessed valuation to the NKIDHD for operations. The amount of this allocation is \$291,752.

The FY 2021 annual budget for the NKIDHD is \$19 million.

Respectfully Submitted,

Lynne M. Saddler, MD, MPH

Lynne M. Saddler, MD, MPH District Director of Health Northern Kentucky Independent District Health Department
