ORDINANCE NO.0004-2020-0240

AN ORDINANCE RELATING TO AN AMENDMENT TO THE GRANT COUNTY
PERSONNEL POLICIES, AN AMENDING ORDINANCE NO. 18-2005-575, WHICH
WAS PASSED ON OCTOBER 17, 2005, AND AMENDING ORDINANCE NO. 132006-593, WHICH WAS PASSED ON AUGUST 21, 2006.

WHEREAS, the Grant County Fiscal Court has heretofore adopted the GRANT COUNTY PERSONNEL POLICIES; and

WHEREAS, the Grant County Fiscal Court has heretofore adopted Amendments to the GRANT COUNTY PERSONNEL POLICIES so as to meet the needs of current county personnel; and

WHEREAS, the Grant County Fiscal Court has determined that amendments to its Personnel Policies, specifically as it relates to Section 201 Employment Categories; Section 205 Probationary Period; Section 303 Vacation Days; Section 305 Holiday; Section 307 Sick Leave; Section 309 Bereavement; Section 401 Timekeeping; Section 507 Overtime; and

NOW, THEREFOREE, BE IT ORDAINED by the Legislative Body of the County of Grant that:

1. That section 201 - Employee Categories which now reads as follows:

It is the intent of Grant County Fiscal Court to clarify the definitions of employment classifications so that employees understand their employment status and benefit eligibility. These classifications do not guarantee employment for any specified period of time. Accordingly, the right to terminate the employment relationship at will at any time and for any or no reason is retained by both the employee and Grant County Fiscal Court.

Each employee is classified as either NONEXEMPT or EXEMPT from federal and state wage and hour laws. "NONEXEMPT" employees are subject to the state and/or federal wage and hour laws and are paid at least the minimum wage and a premium for all overtime worked. "EXEMPT" employees are not subject to the minimum wage and overtime requirements of state and federal law. They are paid salary and include executives, high-level managers and administrators and professionals. An employee's EXEMPT or NONEXEMPT classification may be changed only where required to comply with wage and hour laws.

In addition to the above categories, each employee will belong to one other employment category:

REGULAR FULL-TIME employees are those who are not in a temporary or introductory status and who are regularly scheduled to work Grant County Fiscal Court's full-time schedule. Generally, they are eligible for Grant County Fiscal Court's benefit package, subject to the terms, conditions, and limitations of each benefit program.

REGULAR-PART-TIME employees are those who are not assigned to a temporary or introductory status and who are regularly scheduled to work less than 30 hours per week. While they do receive all legally mandated benefits (such as Social Security and workers' compensation insurance), they are ineligible for all of Grant County Fiscal Court's other benefit programs.

INTRODUCTORY employees are those whose performance is being evaluated to determine whether further employment in a specific position or with Grant County Fiscal Court is appropriate. Employees who satisfactorily complete the introductory period will be notified of their new employment classification.

TEMPORARY employees are those who are hired as interim replacements, to temporarily supplement the work force, or to assist in the completion of a specific project. Employment assignments in this category are of a limited duration. Employment beyond any initially stated period does not in any way imply a change in employment status. Temporary employees retain that status unless and until notified of a change. All legally mandated benefits (such as Social Security and workers' compensation insurance) are provided to temporary employees. Some other Grant County Fiscal Court-sponsored benefits may also be available, subject to the terms, conditions, and limitations of each benefit program.

shall now read in full as follows:

REGULAR FULL-TIME employees are those who are not in a temporary or probationary status and who are regularly scheduled to work Grant County Fiscal Court's full-time schedule. Generally, they are eligible for Grant County Fiscal Court's benefit package, subject to the terms, conditions, and limitations of each benefit program.

REGULAR-PART-TIME employees are those who are not assigned to a temporary or probationary status and who are regularly scheduled to work less than 30 hours per week. PROBATIONARY employees are those whose performance is being evaluated to determine whether further employment in a specific position or with Grant County Fiscal Court is appropriate. Employees who satisfactorily complete the probationary period will be notified of their new employment classification.

TEMPORARY employees are those who are hired as interim replacements, to temporarily supplement the work force, or to assist in the completion of a specific project. legally mandated benefits (such as Social Security and workers' compensation insurance) are provided to temporary employees. Some other Grant County Fiscal Court-sponsored benefits may also be available, subject to the terms, conditions, and limitations of each benefit program

2. That section 205 - Introductory Period which now reads in part as follows:

The introductory period is intended to give new employees the opportunity to demonstrate their ability to achieve a satisfactory level of performance and to determine whether the new position meets their expectations. Grant County Fiscal Court uses this period to evaluate employee capabilities, work habits, and overall performance. Either the employee or Grant County Fiscal Court may end the employment relationship at will at any time during or after the introductory period, with or without cause for reason or no reason or advance notice.

All new and rehired employees work on an introductory basis for the first 180 calendar days after their date of hire. If Grant County Fiscal Court determines that the designated introductory period does not allow sufficient time to thoroughly evaluate the employee's performance, the introductory period may be extended for a specified period.

Upon satisfactory completion of the introductory period, employees enter the "regular" employment classification.

shall now be renamed as "Probationary Period" and read in full as follows:

The probationary period is intended to give new employees the opportunity to demonstrate their ability to achieve a satisfactory level of performance and to determine whether the new position meets their expectations. Grant County Fiscal Court uses this period to evaluate employee capabilities, work habits, and overall performance. Either the employee or Grant County Fiscal Court may end the employment relationship at will at any time during or after the probationary period, with or without cause for reason or no reason or advance notice.

All new and rehired employees work on a probationary basis for the first 180 calendar days after their date of hire. If Grant County Fiscal Court determines that the designated probationary period does not allow sufficient time to thoroughly evaluate the employee's performance, the probationary period may be extended for a specified period.

Upon satisfactory completion of the probationary period, employees enter the "regular" employment classification.

3. That section 303 - Vacation Days which now reads as follows:

Vacation time off with pay is available to eligible employees to provide opportunities for rest, relaxation, and personal pursuits. Employees in the following employment classification(s) are eligible to earn and use vacation time as described in this policy:

* Regular full-time employees

The amount of paid vacation time employees receive each year increases with the length of their employment as shown in the following schedule:

*Upon initial eligibility the employee is entitled to 12 vacation days each year which is considered as time worked, accrued monthly at the rate of 1 day.

*After 10 years of eligible service the employee is entitled to 18 vacation days each year, accrued monthly at the rate of 1.5 days.

*After 20 years of eligible service the employee is entitled to 24 vacation days each year, accrued monthly at the rate of 2 days.

The length of eligible service is calculated on the basis of a "benefit year." This is the 12-month period that begins when the employee starts to earn vacation time. An employee's benefit year may be extended for any significant leave of absence except military leave of absence. Military leave has no effect on this calculation. (See individual leave of absence policies for more information.)

From the date of hire, employees begin to earn paid vacation time according to the schedule. However, before vacation time can be used, a waiting period of 180 calendar days must be completed. After that time, employees can

request use of earned vacation time including that accrued during the waiting period.

Paid vacation time can be used in minimum increments of one hour. To take vacation, employees should request advance approval from their supervisors. Requests will be reviewed based on a number of factors, including business needs and staffing requirements.

Vacation time off is paid at the employee's base pay rate at the time of vacation.

As stated above, employees are encouraged to use available paid vacation time for rest, relaxation, and personal pursuits. In the event that available vacation is not used by the end of the benefit year, employees may carry unused time forward to the next benefit year. The total amount of unused vacation time that can be carried over reaches a "cap" equal to six days. When the employee uses paid vacation time and brings the available amount below the cap, vacation accrual will begin again.

Upon termination of employment, employees will be paid for unused vacation time that has been earned through the last day of work.

shall now read in full as follows:

* Regular full-time employees

The amount of paid vacation time employees receives each year increases with the length of their employment as shown in the following schedule:

- *Upon date of hire the employee will accrue (8) hours of vacation time per month.
- *After 10 years of eligible service the employee will accrue (12) hours of vacation time per month.
- *After 20 years of eligible service the employee will accrue (16) hours of vacation time per month.

Vacation time off is paid at the employee's base pay rate at the time of vacation and will not be calculated as time worked when calculating overtime. Vacation time is only considered time worked when determining eligibility for paid holiday time.

As stated above, employees are encouraged to use available paid vacation time for rest, relaxation, and personal pursuits. In the event that available vacation is not used by the end of the benefit year, employees may carry unused time forward to the next benefit year. The total amount of unused vacation time that can be carried over reaches a "cap" of (48) hours. When the employee uses paid vacation time and brings the available amount below the cap, vacation accrual will begin again.

Upon termination of employment, employees will be paid for unused vacation time that has been earned through the last day of work.

4. That section 305 - Holiday which now reads as follows:

Grant County Fiscal Court will grant holiday time off to all employees on the holidays listed below:

^{*} New Year's Day (January 1)

- * Martin Luther King, Jr. Day (third Monday in January)
- * Good Friday (Friday before Easter)
- * Memorial Day (last Monday in May)
- * Independence Day (July 4)
- * Labor Day (first Monday in September)
- * Veterans' Day (November 11)
- * Thanksgiving (fourth Thursday in November)
- * Day after Thanksgiving
- * Christmas Eve (December 24)
- * Christmas (December 25)
- * New Year's Eve (December 31)

Grant County Fiscal Court will grant paid holiday time off to all eligible employees immediately upon assignment to an eligible employment classification. Holiday pay will be calculated based on the employee's straight-time pay rate (as of the date of the holiday) times the number of hours the employee would otherwise have worked on that day. Eligible employee classification(s):

* Regular full-time employees

To be eligible for holiday pay, employees must work the entire last scheduled day immediately preceding and the first entire scheduled day immediately following the holiday unless vacation time is used.

A recognized holiday that falls on a Saturday will be observed on the preceding Friday. A recognized holiday that falls on a Sunday will be observed on the following Monday.

If a recognized holiday falls during an eligible employee's paid absence (vacation only), holiday pay will be provided instead of the paid time off benefit that would otherwise have applied.

If eligible nonexempt employees work on a recognized holiday, they will receive holiday pay plus wages at their straight-time rate for hours worked unless forty hours have already been actually worked in that workweek, in which

case, they will be paid their wages at a time and one-half rate.

shall now read in full as follows:

5. That section 307 - Sick Leave which now reads as follows:

Grant County Fiscal Court provides paid sick leave benefits to all eligible employees for periods of temporary absence due to illnesses or injuries. Eligible employee classification(s):

* Regular full-time employees

Eligible employees will accrue sick leave benefits at the rate of 12 days per year (1 day for every full month of service). Sick leave benefits are calculated on the basis of a "benefit year," the 12-month period that begins when the employee starts to earn sick leave benefits.

Employees can request use of paid sick leave after completing a waiting period of 180 calendar days from the date they become eligible to accrue sick leave benefits. Paid sick leave can be used in minimum increments of one hour. An eligible employee may use sick leave benefits for an absence due to his or her own illness or injury, or that of a child, parent, or spouse of the employee.

Employees who are unable to report to work due to illness or injury should notify their direct supervisor before the scheduled start of their workday if possible. The direct supervisor must also be contacted on each additional day of absence.

If an employee is absent for three or more consecutive days due to illness or injury, a medical certification must be provided verifying the disability and its beginning and expected ending dates. Such verification may be requested for other sick leave absences as well and may be required as a condition to receiving sick leave benefits.

Sick leave benefits will be calculated based on the employee's base pay rate at the time of absence.

Unused sick leave benefits will be allowed to accumulate until the employee has accrued a total of 180 calendar days' worth of sick leave benefits. If the employee's benefits reach this maximum, further accrual of sick leave benefits will be suspended until the employee has reduced the balance below the limit.

Sick leave benefits are intended solely to provide income protection in the event of illness or injury and may not be used for any other absence. Unused sick leave benefits will not be paid to employees while they are employed or upon termination of employment.

shall now read in full as follows:

Grant County Fiscal Court provides paid sick leave benefits to all eligible employees for periods of temporary absence due to illnesses or injuries. Eligible employee classification(s):
